OTHER BUSINESS BROUGHT BEFORE THE BOARD

Planning & Zoning minutes from April 3 were reviewed, discussed, and approved.

DUCKS UNLIMITED EASEMENTS

The County was recently informed that there is now a perpetual Federal Easement that was placed on property that was discussed with Bruce Toay of Ducks Unlimited at a regular meeting of the County Commission on October 19, 2021. The legal descriptions of which were the subject of that discussion in 2021 and are in the perpetual Federal Easement are T.105 N., R. 61 W., 5th PM & T. 106 N., R. 61 W., 5th P.M. At the meeting in 2021 Mr. Toay on behalf of Ducks Unlimited indicated that with regard to these lands the County would continue to have all rights to use and maintain the

current County drainage ditch that exists therein. Mr. Toay now indicates that the perpetual easements are only effective as to the area located inside the circles on the maps located on Exhibit A of said Easement that has been filed with the County Register of Deeds.
