TOM & JOSH, SANBORN COUNY SHERIFF'S OFFICE AND CORA & ROBERT AGERT, MINER COUNTY DISPATCH – E-911 SERVICES

Cora explained to the board how Miner County dispatch was started and how it is funded. Much discussion was had on how our contributed funds are used in Miner Counties budget. Cora was thanked for coming to the meeting for better explanation of how the 911 process works, and plans moving forward with Sanborn Counties involvement with Miner County Dispatch.

4-H BUILDING UPDATE

Motion by P. Larson, second by Blindauer to approve Larry Jirsa as the architect for the 4-H Building Addition project. Motion carried.

Motion by Weber, second by S. Larson, to approve the committed funds from the county to come from the Covid Funding that was received. Motion carried. With discussion being held on the 4-H Building, since the board has stated that they would pledge \$100 thousand for the addition, we will be using American Rescue Plan (Covid) Funds for our pledge. These funds were received by the federal government to be used for expanding, creating bigger space, broadband or water/sewer. The commissioners feel that this project suites the feasibility of the spending required by federal compliance.

OTHER BUSINESS BROUGHT BEFORE THE BOARD

Motion by Blindauer, second by P. Larson to repeal the resolution adopted July 7, 2020. Passing this motion removes the Discretionary Formula on new construction within Sanborn County. Motion carried. This becomes effective August 9, 2022, in relation to 2023 assessment values for taxes payable 2024.
