SPEED SIGNS

Rod Weber met with the board to discuss putting digital signs indicating speed being traveled along Highway 34 at both the Woonsocket and Sanborn Central Schools. They would like two signs at each school. Signs are \$3,600 each with solar power, and requiring posts costing \$400 each. If they have data recording it would cost about \$300 more per sign. Woonsocket City is in full support and will help maintain the signs at the Woonsocket School. They are asking for the County to pay for two of the signs, one at each school, and for the County to possibly maintain the signs at Forestburg.
